

Hovet

FACT SHEET

Built as an outdoor venue in 1955, converted to an indoor arena in 1962 before being rebuilt in 2002. Capacity: 8,300 people.

The total renovation in 2002 included a new decor and new catering facilities.

The arena features a club area and corporate entertainment facilities. Its famous hockey rink offers a wealth of possibilities for corporate events, concerts and entertaining clients.
